### BROWARD COUNTY REQUIREMENTS

Any activity with the SSMS band is a school-sponsored activity. Therefore, the School Board of Broward County's Student Conduct and Discipline Code will be in effect for this activity. Last September, if your child attended a Broward County School, they read this code. You and your child also signed a statement stating that you both read and discussed the code and are in agreement with the regulations. That agreement is in full effect and your signature below reiterates your pledge. Specifically, the code includes, but is not limited to, the following:

- No alcoholic beverages
- No drugs or mood altering substances
- No weapons
- No explosive devises, fireworks, or other potentially dangerous substances
- No fighting

Chaperones are for the students' protection and help. They are to be treated with respect. Any abusive actions or words directed toward them will be dealt with through the school administration upon return.

Any student who fails to meet these expectations may be separated from all other students and assigned to a specific chaperone for disciplinary action.

By signing below, parent/guardian and student acknowledge that they have read the rules outlined above and will abide by them. Please bring this form along with the permission slip.
